I hereby authorize Bacco Construction Company to make such investigations and inquiries on my personal, employment, education, driving record, criminal history, financial, or medical history and other related matters as may be necessary to arrive at an employment decision. I hereby release employers, schools or persons from all liability in responding to inquiries in connection with my application.

In the event of employment, I understand that false or misleading information given in my application or interview(s) may result in discharge of employment. I also understand that I am required to abide by all rules and regulations of Bacco Construction Company, as permitted by law.

I hereby understand that construction work is seasonal, and therefore, if hired, my employment will most likely be terminated at the seasons end or upon completion of the project for which I was hired.

I understand all employment is terminable at the will of either the employee or Bacco Construction Company and any oral statements to the contrary should not be relied upon by any prospective or existing employee.

I agree that any action or suit against the firm, its agents or employees, arising out of my employment or termination of employment, including, but not limited to, claims arising under State and Federal law, but not Federal civil rights statutes containing a separate limitations period, must be brought within 180 days of the event giving rise to the claims or be forever barred unless the applicable statute of limitations period is shorter than 180 days in which case I will continue to be bound by that shorter limitations period. I waive any limitation periods to the contrary. I further agree that if I should bring any non-statutory action or claim arising out of my employment against the firm, in which the firm prevails, I will pay to the firm any and all such costs incurred by the firm in defense of said claims or actions, including attorney fees.
